

Virtufi Advisor Pvt Ltd

Virtual CFO Services

Clarity in every number. Direction in every decision.

Who We Are

Virtufi Advisor is a finance and advisory firm built on 10+ years of experience delivering clarity and structure to businesses across India. We're known for our straightforward, honest working style and strong delivery discipline.

Our team combines deep expertise in accounting, finance, and compliance with multi-industry knowledge spanning startups, SMEs, and established enterprises.

Our Philosophy

Client wins. Team wins. Firm wins.

We believe in partnerships where success is shared and measured. Our approach is built on transparency, accountability, and results that drive sustainable growth for every stakeholder.

Why Businesses Need a Virtual CFO

Data Chaos

Scattered data and unclear reporting making decision-making difficult

Manual Burden

Manual finance tasks consuming valuable time and resources

Regulatory Complexity

Complex and constantly changing regulations creating compliance risk

Cash Flow Stress

Cash flow challenges during expansion and growth phases

Investor Demands

Investor pressure for structure, transparency and professional reporting

Expertise Gap

Need for high-level CFO expertise at a fractional cost
